

Day 1:

The programme begins in the morning with a **canoe tour on the Rhine** from Duisburg (about a 10 min. drive from your hotel) to the old **Roman city of Xanten**. With the help of professional instructions, you will pass by blast furnaces, loading docks, natural conservation areas and small sand coves. A picnic break will be taken here in the coves. After arriving in Xanten, a bus or taxi will be ready to take you back to your hotel. A **fantastic grill buffet** awaits you in the garden of your hotel, located directly between the Rhine and the Üttelsheimer Lake, from 8:00pm.

Day 2:

To conclude your tour on the Sunday morning, you will get a completely different view of the Rhine - in particular, by bicycle. For approximately two hours, we will show you the loveliest little spots on bike. The **guided bike tour** will end at the hotel.
